

GRAZING TABLE

Grazing Tables are created to impress your guests with a WOW factor!

The self-service table is a creative palate and a very elegant alternative to a buffet, rest assured, for those who wish to indulge their large appetite and not just their eyes, they will not be disappointed! The food lasts longer and is artistically placed on a rustic table creating a Theatre atmosphere at your event of abundance. This will leave your guests feeling like they are so spoilt for choice and most importantly, that will make your mouth water.

ALL PRODUCTS ARE SUBJECT TO WHATS IN SEASON. IF YOU HAVE ANY DIETARY REQUIREMENTS OR ALLERGIES, PLEASE MAKE US AWARE WELL IN ADVANCE SO WE CAN CATER FOR THIS.

The Grazing Table is available for the duration of your Event.
